

Chiara

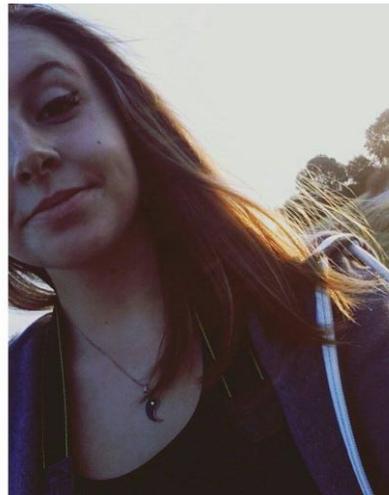

I'm Chiara and I'm 15 years old. I live in Toscanella, a really small town, an hour away from Bologna in Emilia Romagna.

Talking about my character I am a little bit shy, but after speaking with someone I become more extroverted. I am really stubborn and I love laughing.

I love listening to music, reading, playing tennis and singing. My favourite bands are Sleeping with sirens, All time low, Paramore, Imagined rasons and others. I like every kind of music except the Italian one, I know it's a little bit strange but for me it has no meaning.

In my free time I sing, I play tennis, I go out with my friends, especially on Saturday, and I listen to music. I really love travelling, until now I've been to England and Ireland, but I would like to visit other countries like Spain, the USA, France and Brazil. I really like to make new friends, for example last summer I went on a cruise, and I met a lot of new friends from other states, as for example France, Spain but also Italian.

I think when I finish school I would find a job in another country, lately I am thinking about Spain, and I would like to move there, because I love Spanish and Spain and I want to move out from Italy.

Erica

Hi, my name is Erica Mainardi, I'm 15 years old, I'm Italian and I live in Bologna. I'm only child and I have a dog called Lena and a cat called Matta. During my free time (let me say that it's not a lot because of the school and the volleyball) I love reading fantasy books as Harry Potter, Hunger Games, Twilight, Divergent, The Maze Runner, The Vampire Diaries and Percy Jackson. I adore them, above all The Maze Runner and Harry Potter. I love listening to music and I like all of kinds except Italian rap, I really don't like it. Basically I listen to hip hop, pop, rap, rock, French core, tecno trance and commercial. My favorite band is One Direction and my favorite singer is Ed Sheeran. I think I don't have a favorite actor but actually I love Thomas Brodie-Sangster, the boy who played Newt in The Maze Runner. I'm also obsessed with tattoos and piercings. Now I only have four holes in my ears, the helix and the tragus but I'm going to get tattooed in a few months, for my sixteenth birthday. I also love the piercing on the lower lip but my parents don't like it.

Volleyball is my life and my team is a kind of family for me because we stay together in the afternoon four times a week and also during the weekend. Two years ago, with the same team of this year, we participated in the national of volleyball. We were very proud of ourselves. I also love skiing but I can do it only when I go on holiday in winter.

Talking about my character, I'm a really calm person but I can get angry very easily. I'm very chatty and extrovert with my friends but I'm shy with people that I don't know, but don't worry, I love making new friends. That's all, bye!

Giorgia

hi, I'm Giorgia, but I like being called Gio. I'm fifteen, I live in a small and awful town called Medicina, it's near Bologna, in Emilia Romagna.

I live in a beautiful three floors house with my mum, my dad, my dog and my cat.

I go to school in Imola, a small town near Bologna.

What to say? I love listening to music, doing gym and skiing. my favourite type of music is rock, pop rock, punk rock, alternative and sometimes I listen to some rap and pop. I love travelling in fact I've been to the United States three times, I've visited New York, Long Island, FireIsland, the airport of Philadelphia, Cape cod, and other cities that I can't remember now; I've been to England, Scotland, Ireland and other countries; but I've been dreaming for almost six years to go to Alaska, I don't know why but I'm in love with it; but of course I can't complain.

I love making new friends from all over the world even if I'm a little shy. Maybe sometimes I'm too shy. I hope someone can understand me.

At the moment I'm into a song, it's animals by maroon 5, I can't stop listening to it..

okay, so.. I think to have said everything.

Sofia

Hi! My name is Sofia and I'm 15 years old. I live in a small town called Toscanella near Bologna and I have been attending this High School since I was 14 in Imola. I have many flaws, for example I'm touchy, jealous and I'm sometimes moody but at the same time I'm dynamic, determined and understanding.

My family is made up of my parents, my sister and me and here the music reigns supreme. It's as if we live every moment at home with a different soundtrack: when we cook or clean the house or just eat we have to turn on the radio. I have been playing the drums for 3 years and I have been singing for 2 years. My favorite kind of music is rock, pop, alternative rock and metal.

My other passion is karate that I started when I was 6. Most of people think that it's especially a male sport, because girls aren't strong or determined enough but it isn't true: anyone can be strong in different ways. I have been practicing karate for ages and it's like my this second family.

I can say that I'm a dreamer and I want to travel around the world to get to know different cultures, to see the wonders of the world and to learn from other people. I travel a lot with my family but I'm dying to go to Canada, I don't know why but I would like to see it.

I don't know what else to say, so bye.
