

PATRICK CAPIROSSI

Hi! My name is Patrick, I'm 15 years old, I live in Imola and I'm an only child.

I have been playing basketball since 2010, I usually have three training a week and on Sunday I have a match. I like it because it is a team sport and you can meet other people. I also like football and my favourite team is Inter Milan FC.

In my family we are three: me, my mother Monica and my father Daniele. I also have 2 uncles and 2 aunts but I don't have any cousins. I have a lot of pets: two horses, two cats, a dog, a lot of rabbits and many ducks.

During my free time I like to work with my uncle and my dad on my farm driving tractors and harvesters and I'd like to become a farmer.

I'm polite, and with my friends I'm funny.

GIACOMO CONTI

Hello! My name is Giacomo, I'm 15 years old and I live in Medicina.

I have been playing basketball since 2012, three times a week and in the weekend we have a match. I like it because of the same reasons my friend Patrick gave: it is a team sport. I started to play basketball because one day I watched a game of the NBA on TV and I liked it very much. Before basketball I used to play taekwondo and I was blue belt, but I didn't like it very much.

In my family we are four: my father Marco, a chef, my mother Mirella and my sister Sara, she is older than me and she goes to the University of Bologna.

I have seven cousins, five uncles and five aunts and two grandmothers, still a large family.

I also have a dog called Aki and he is only three months old.

In my free time I play basketball and football videogames and I hang out with my friends.

GIANMARCO TEREZI

Hi! My name is Gianmarco, I'm 15 years old.

I have lived in Imola since I was born. I've got one brother and one sister, they are older than me (she is 19 and he is 24).

I practice volleyball, I started 3 years ago, when my friends and I decided to change sport because swimming was boring. I like it because it's a team sport and I can play and sometimes win with my friends.

I think that I'm quite funny and shy.

I play volleyball but during my free time I like playing football and basketball.

I'd like to have a dog, but, living in a block of flats, we haven't got enough space.

MATTIA VILLANI

Hi! My name is Mattia, I'm 15.

I lived in Bologna but when my mother found a job as a postwoman I had to move to Medicina.

When I was 6 my parents divorced. Now I've got a brother: his name is Alessandro and he's 5 years old.

I have been playing football since 2006, after the final of the World Championship in Germany. The final was won by Italy I liked Buffon very much, so I decided to take up football and I wanted to be a goalkeeper.

In my free time I like to go out with my friends to walk around Bologna centre.

I'm quite shy if I've never met the person who I'm talking to.
