

Hi!

My name is Anna Nováková and I am sixteen years old. I am from the Czech republic. It's a small country in the centre of Europe, but you probably know this :). I live in a small village called Čisovice and a lot of people don't know where it is.. There live about six hundred people and it's a pretty calm village. Near by our house, there are pastures with horses. I live in a house with my parents. I've got two older sisters, but they study at university, so I am alone at home. At least we have a cat... :D. Our village is just about thirty kilometres from Prague, our capital city. Prague is really beautiful and I'm glad I can visit it almost whenever I want.

I go to grammar school in Dobříš, it's about fifteen minutes by car from our village. In school I like the most Czech, English, Art and I'm not big fan of Math.

When I arrive home from school, I usually take something to eat (love eating) and I do my homeworks (not always :D). In my spare time I like to bake, because I love sweet food, mostly chocolate.. My life without chocolate would be nothing.. One thing that I am not able to eat is raw tomatoe.. I really hate raw tomatoes, but I don't mind when they are cooked. I don't understand it, but it's true. I like italy pasta as lasagna... Yum..!

I also like reading books. In my free time I practice playing piano. I've taken piano lessons since I was 7, but I'm little bit lazy, so I mostly practice two hours before my piano lesson.. And I know, it's not good. Music

is really important for me. When I forget my earphones at home, it's misery. I enjoy listening to swing music, rock, rock'n'roll.. But I don't like pop music very much. Now my favourite band is Prago Union. It's a czech band and they do hip hop.

I also like doing and watching sports. I love athletics, tennis (rather watching than playing), ice hockey (not able to play ice hocky :D), running... But I don't enjoy watching or playing football. It's my less favourite sport. I am little bit terrified of the ball.

My big dream is travel all around the world and explore different cultures. My facebook name is Anna Nováková and the first photo is my profile picture :).
