

Hi! 😊

My name is Sara, I'm 15 years old and I live in a small city near Bologna, in Italy.

I live with my parents, my brother Samuel (who is eight years old) and my cat Stella.

I attend a languages high school and I study English, German and Spanish.

I'm a fan girl so I have a lot of interests such as music, books and TV series.

I like more or less every kind of music but I listen most of all to pop, pop rock and deathcore. I like a lot of bands, boybands and singers.

The kind of books that I like the most are the urban fantasy ones. I've read a lot of books but my favourite one is probably "The Catcher in The Rye" or the "Divergent" trilogy.

My favourite TV series are Pretty Little Liars, American Horror Story, Orange is the New Black and Freaks and Geeks.

I enjoy hanging out with my friends too, we enjoy going shopping and eating together. My best friends are Cecilia (who is in my class) and Francesca (who attends another school). I also have a lot of internet friends but the most "important" are Ilaria and Beatrice.

Can't wait to hear from you! Bye 😊

Hi!

I'm Marianna and I'm from Medicina, a small town near Bologna. I'm 15 and I attend a foreign languages high school as you can see.

There are three things I love the most: listening to music, reading books and singing.

As I said before I love listening to music, I like every kind of music in particular rock and pop rock.

I really love reading books too, but not every kind of books, I prefer books like Harry Potter, The Mortal Instruments, The Chronicles of Narnia, The Fault in Our Stars and so on.

But singing is the one I love the most. I'm a fan girl if you know what I mean. I also like the following TV series, my favourite is Pretty Little Liars so far.

I have a lot of dreams but the most important is called "London". Yap, London is my dream city and one day I hope I'll move there.

Can't wait to hear from you, bye!

Hi guys! My name is Sara and I'm from Borgo Tossignano, a little village in the north-centre of Italy. I'm 15 years old and I love animals, in fact I have a little red cat called Romeo. I also have some hobbies and my favourite one is playing the piano. In my bedroom I have a piano, but my dream is to have a Steinway piano...it is a bit expensive, so my parents won't buy me one.

My favourite band is Green Day and my favourite songs are Boulevard of broken dreams and 21 guns.

I love travelling, in fact I went to London three times, Liverpool, Brighton, Canterbury, Barcelona and Tunise.

In my free time I like going out with my friends, eating Pringles with my best friend and watching films.

Hope to hear from you soon! Bye!!! 😊
