

Hello,

my name is Viktor Semančík and I would like to introduce you myself, my family, my hobbies, simply my whole life. Firstly, you should know how I look like, that you can better imagine who I am. So there is a photo of mine:

I am from The Czech Republic, from a small village called Stará Huť. It is near Dobříš, which is about 40 kilometers from Prague, our capital city. Although I was born in Prague, I have never lived there. I grew up in Dobříš and its surroundings. I studied in Dobříš's elementary school, then I moved to *Dobříš's Karel Čapek Gymnazium*. And now, I have been studying here for six years. I like English and Physics, but I don't know what to do after school yet.

I am seventeen years old and I live with my mother and father in a small detached house. I also have an older brother, but he is a traveler, so he mostly isn't at home. Now he is with his girlfriend in New Zealand. I am also in a good relationship with my girlfriend. We have one dog and one cat at home. You can see them on these pictures:

Now let's talk about activities that I really enjoy doing – my hobbies. My biggest hobby is definitely football. I play football for MFK Dobříš. I have been playing here over 12 years now. You can see a picture of my former team down below this article. If we don't train in summer, I like to do triathlon. Another hobby is playing electric guitar. Now we are even setting up a school band! I love music, but only some genres. My favourite bands are Metallica, Dream Theater, MUSE or The Offspring. My last hobby is photography. You can see my photos on Instagram (@likeasemi).

If you want to contact me, you can do that via e-mail (semancik4@seznam.cz) or you can find me on facebook as "Viktor Semančík".

Thank you for your time and I am looking forward to hearing from you.
