

...AND NOW LET'S TALK ABOUT US.....

Hí! My name is Sarah and I'm 15.

I am in the second year of high school specialized in modern languages.

I was born in Naples but I have lived in Imola since I was 8.

It was really a big change because Naples is a very noisy and busy city and Imola is a quiet and relaxing town.

I am very sensitive and shy and it was hard to make Friends at the beginning.

My family

I live with my mother, my father and my sister.

My mother is 44 years old and she's an employee.

My father is 47 years old and he's a worker.

My sister is 12 years old and we don't get along.

She's so annoying!

Alessia, is my best friend, we share joy and pain and even if sometimes she makes me angry, she is always my best friend. She is sensitive, cheerful, funny and very hardheaded like me. We get along!

Me

Alessia

My hobbies

In my leisure time I like going out with my friends. I have fun with them!

I also love to dance and listen to music.

My favourite sport is dancing. I have been dancing for 2 years and now I train twice a week. My favourite style is hip hop.

My group is «Black sheep crew».

I hope to become a great dancer and

I hope this passion will become my job.

The symbol of my group

AND THIS IS ANOTHER SARA

I'm **Sara Pelliconi** and I'm 15, my birthday is on 16th February.

I've got blond hair and green/hazel eyes and I'm short.

I live in Imola. Me and my family moved here in 2004, before that I lived in a very small town in the hills. I live with my parents and my sister. Since I moved to Imola till the age of nine, I did swimming courses, then I started to play football and do karate.

Now I still do karate and even if I still love playing football, I left my team last year.

In my free time I love to read a lot of books and listen every kind of music (my favourite song is “21 guns” and my favourite book is “the book thief”). I also enjoy going to the cinema and going out with my friends.

With my friends I'm always happy and quite noisy because I speak out loud and quickly and I gesticulate a lot.

In public places I am always quiet because I don't like to stay in the spotlight and I am a reserved person.

AND THIS MARIA ROSARIA

I'm Maria Rosaria, I was born the 22th December and I'm fourteen years old and I'm attending the second year of the language course at:"Alessandro Da Imola".

I live in Imola but my parents come from Napoli. I don't practise any kind of sport , I'm lazy , but in my free time I like going out with friends , listening to music and watching TV. I hate to read and draw.

My favourite food is: ice cream, pizza, pasta and chicken, but top of anything, I love eating Profiteroles, I've been eating it since I was child

I'm thin and tall, my eyes are brown, I have long brown and wavy hair.

I'm sociable I like to make new friends, meet new people but at the same time, I'm very reluctant: I tell my secrets to my very close friends (two – three people). I'm very stubborn, and often this becomes a problem.

I'm also very determined , if I want to achieve a goal I work for it and I do not care how hard I have to work ; I'm not affectionate, even with my mother(I hugs her rarely) the same thing with my friends: I mostly like to tap rather than hug them , but that doesn't mean I don't love them.

I'm not sensitive as well, I hardly cry except in really serious situations.

I'm very impulsive, probably I should think a little bit more about what I'm going to do, but with time, I'm getting better and I think more before acting. Finally, I'm very straight, I always say what I think and this is sometimes a problem because it's not always wise to say certain things. Anyway better straight than gossiping.

I don't really like theme parks, but I really like the theme park called "Italy in Miniature" I think it's a very unique park, which is different from the others and it is also a good opportunity to see the most famous Italian monuments in miniatures, obviously.

AND THIS YLENIA

If you want to know more about it look up at
