

OUR PRESENTATION

Alice Atrigna, Martina Cozzolino,
Marina Medri & Giada Triscari

Alice 😊

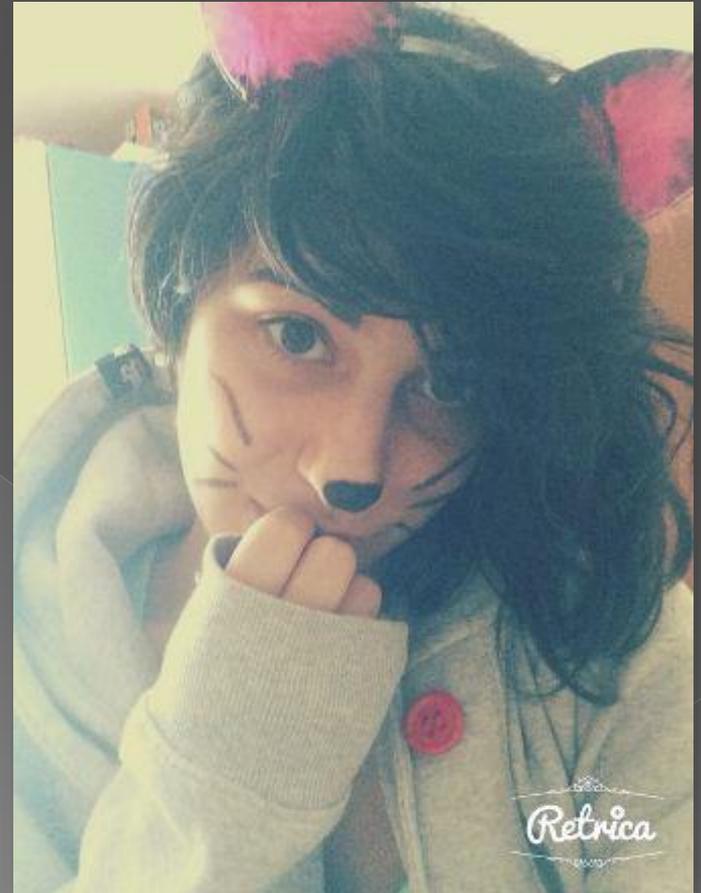

Hi! I'm Alice, I'm 15 years old and I live in Medicina, a small town near Bologna. In my free time I like listening to music, watching TV, reading books, going out with my friends or going shopping. I like going to school of course I don't like doing exams, get up early, or doing Math, but staying for five hours in class with your friends can be fun. I like going to the seaside or visit a city, I hope I can go to Australia one day. I'm moody and sociable but when I have to talk to someone for the first time I'm a bit shy.

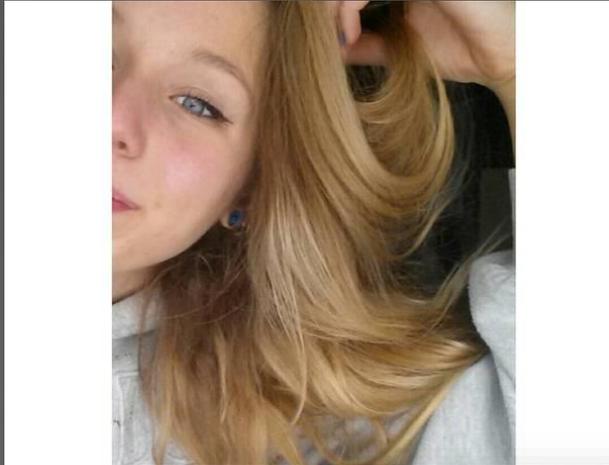

Martina 😊

Hi!

My name is Martina, I'm 15, Italian, maybe one of the shortest girls living in this world. Usually in a first time I could appear very shy but when I find people who I like I can become very, very confident! Some of my friends like to call me Tina, I hate sports but I have many and many hobbies like watching japaneses anime, drawing so much untill my wrist and reading... reading a lot, and I like it so much that my room is surrounded by all my books now. I like travelling and meet people from foreign countries because I'm very curious about everything related to them.

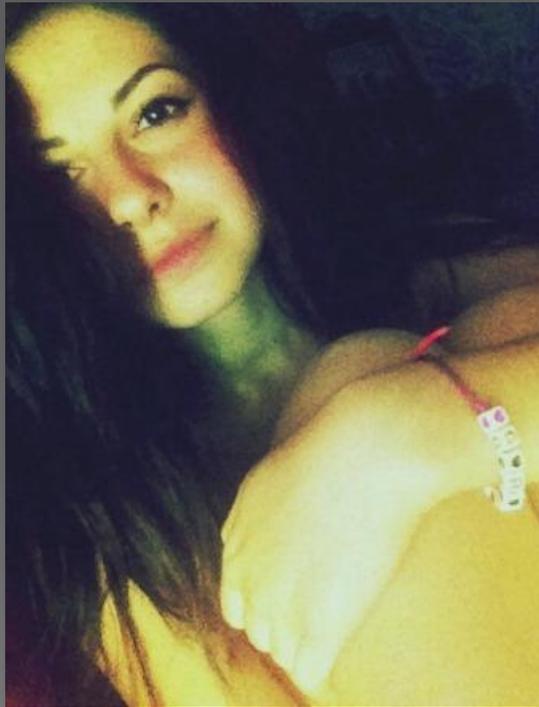

Marina 😊

Hi there! I'm Marina, an Italian girl who studies in Imola, but lives in Lugo, a little town near Ravenna. Now I want to tell you something about me! I was born on the 10th June 1999, so I'm 15 years old. My nickname is Mary, I love fashion and music, one of my hobbies is playing guitar and I often listen to music, my favourite singer is Bruno Mars. I have been practicing artistic gymnastics since I was five years old, I like it very much. I love travelling, above all in big cities as London and New York and taking photos of all places that I visit. I have a big family composed by six people and three best friends that for me are like sisters, as I have been known them since I was two years old.

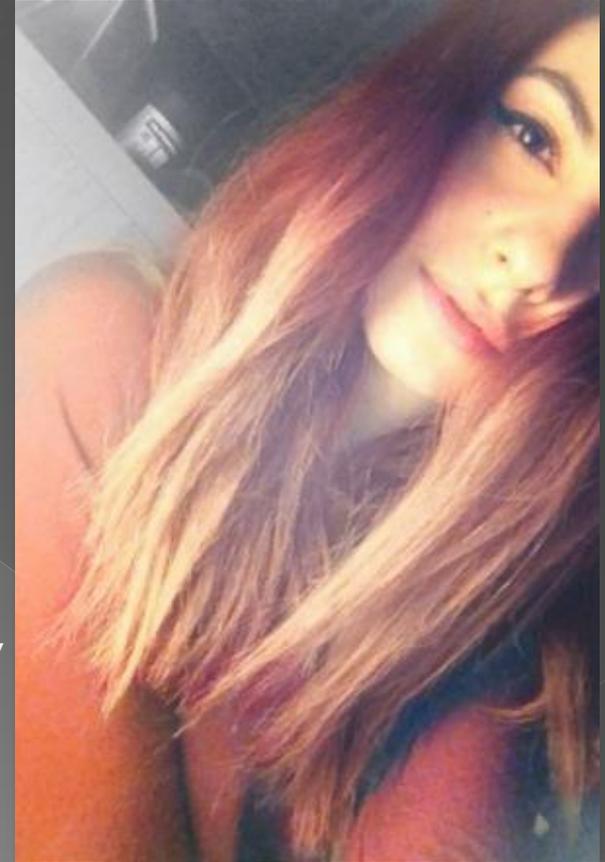

Giada 😊

Hi! My name is Giada, I'm 15 years old and I live in Imola, a city near Bologna.

I love listening to music; I know it sounds mainstream, well... It is.

I enjoy listening to pop music but I also like rap and R&B music. One of my favourite singers is The Weeknd. In my free time I like going shopping, watching films or tv series and hanging out with my friends. I don't do any sports but when I was younger I used to swim and play volleyball. One of my biggest dreams is to move to Los Angeles, California. In my opinion it's the most beautiful city in the world, I love it very much even if I've never been there.

Bye Bye!!
