

Hi! My name is **Chiara De Ninno** and I'm 15 years old. I was born in Lugo, but I live in Imola, a town in Emilia-Romagna, Italy. I like Imola very much, because it is a quiet city and there are many parks. I attend the high school Alessandro da Imola. I am at school everyday (Monday to Saturday) from 8 o'clock to 13 o'clock or 12 o'clock. My favourite subject is History, because it is very interesting

and I think that someone who knows the past can understand

the present better and has a more open-minded attitude. In my free time I enjoy listening to music or reading books. I listen especially to rock and reggae. My favourite rock bands are the Blink-182 and Led Zeppelin. I also love the ex J-AX' band, Articolo 31, I enjoy their songs because I consider them very modern and even now they represent the thoughts of my generation. My favourite kind of books are horror and fantasy. When I don't have much homework, I go out with my friends. I like my group of friends very much because I get on very well with them, I like thinking about them as a second family.

I love swimming, in effect I'm going to swim twice a week for an hour.

Drama is my hobby, I've always attended drama courses, because when I'm on stage I succeed in being outgoing and confident. I have acted in performances such as: "The Tempest" by William Shakespeare or "The Sleeping Beauty" by Charles Perrault . My family includes: my dad, my mom and my sister. My dad, Michele, is 54 years old and he's a librarian; my mom's name is Mirella, she is 53 years old and is an archivist. My sister, Federica, is 19 years old,

she attends the last year of high school in Faenza. I got on very well with all the member of my family, especially with my sister; obviously, we quarrel, but we solve the arguments immediately. I've got a best friend, Michela. I met her in primary school. We are very different: she's outgoing instead I'm very shy, she's very reflective while I'm instinctive.
