SOMETHING ABOUT CUISINE..

Turkish cuisine is healthy, full of fresh vegetables (the most important is a eggplant), fish, herbs, spices and meat. Main dish is rice. It's one of the best and healthiest cuisine in the world.

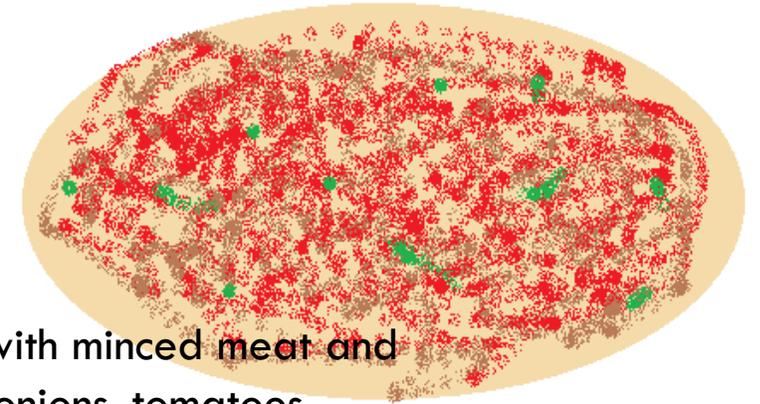

BREAKFAST IN TURKEY

Turks usually prefer a rich breakfast. A typical Turkish breakfast consists of cheese, butter, olives, eggs, tomatoes, cucumbers, jam, honey, and kaymak. Sucuk (spicy Turkish sausage, can be eaten with eggs), [pastırma](#), börek, [simit](#), poğaçā and soups are eaten as a morning meal in Turkey. A common Turkish speciality for breakfast is called [menemen](#), which is prepared with tomatoes, green peppers, onion, olive oil and eggs. Invariably, [Turkish tea](#) is served at breakfast. The Turkish word for breakfast, kahvaltı, means "before [coffee](#)" (kahve, 'coffee'; altı, 'under').
