

Hello guuys! ☺

My name is Claudia and I'm 15 years old. I live in Conselice, a small town near Ravenna in Emilia-Romagna. I live in a house with my parents. My mum is Clara, she is 48 years old and my dad is Gualtiero, he is 59 years old. I haven't got any brothers and sisters. I attend the second year at a high school and I study three languages: English, German and Spanish. I chose this school because I like languages very much and I love studying them. I have got a lot of hobbies, but my favourite is staying with my friends, indeed in the afternoon I often go out with my best friends Lucia, Enrica and Sara.

My best friends!

They are very friendly, kind and lovable with me and they always help me with everything. We usually go out for walk and then we play volleyball together. Volleyball is another hobby in fact I played it for four years in the Virtus Conselice. In summer I always go to the swimming pool with my friends and we enjoy ourselves together: we swim, play volleyball and sunbathe.
