

## Kristina Vanoverschelde

Hello, my name is Kristina Vanoverschelde. I am 15 years old, but I will be 16 on 3 December. My hobby is gymnastics, I do it every Thursday at Gymnopolis in Mechelen. I also teach gymnastics for little children between 6 and 12 years old. The lessons are on Wednesday at 6pm. Sometimes I also work at a supermarket in the weekends.

What am I like? Mostly I am a happy person, I love to talk and laugh a lot but I also can be a quiet person. I can be a jealous type and I am very curious!

At home there are 5 of us: my parents, my sister Rafaella (12), and my brother Maarten (8). So I am the eldest. My parents' names are Edwin and Olga. My father works at the airport and my mom doesn't work. We also have a dog: Alfa. He is very big but he doesn't bite.

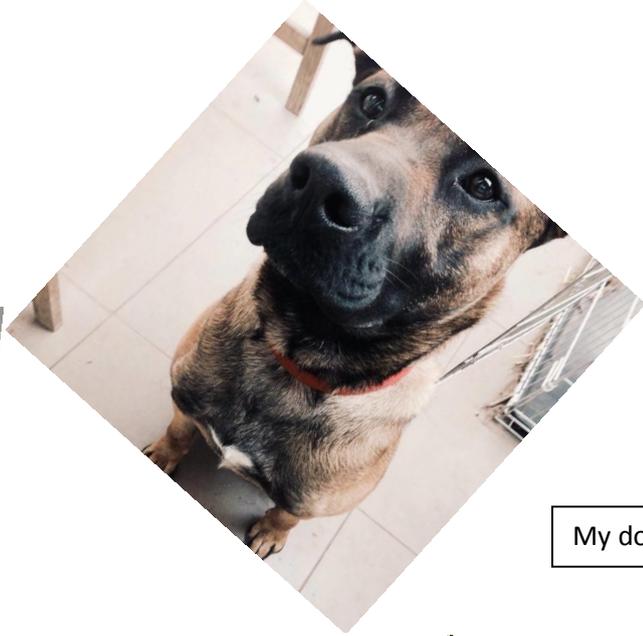

At school I have many friends. My best friends are Noa, Nora, Sanae, Sien, Melissa and Chiro. Chiro and Noa are also taking part of the Erasmus project. I see my friends every day at school and also in the vacations or during the weekends. Mostly we are just chilling together outside and laughing a lot and having fun.

I live in a very small village, Heffen. It's 15-20/min from Mechelen where I go to school. I go to school with bus or by bicycle. The name of my school is Ursulinen Mechelen, this year I study something new: Health and Wellbeing Sciences. Within a month I will go to an internship where I work with old people, little children 3-6 years old and babies 1-3 years old. I think I will learn a lot there.

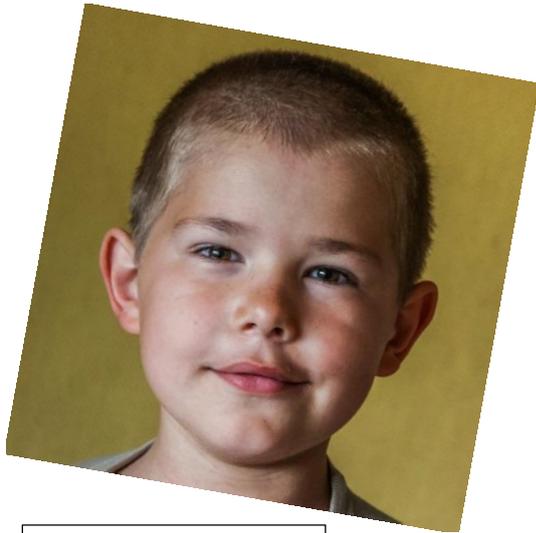

So now you know me a little better! 😊
