

My name is **Karima**, I'm 14 years old (I'll be 15 in December) and I live in Borgo Tossignano, a small town near Imola. I attend "Liceo A. Da Imola" in Imola. I study three languages: English, French and German. My favourite subject is definitely English and I hate Maths.

My family is made up of 5 people: my mother Maddalena, my father Driss (he's from Morocco), my brother Nadir who's 7 years old, my twin sister Yasmin and me.

sister Yasmin

We have a cat, he's called Bibol and he's 3 years old.

In my free time I like to listen to music and read books. My favourite books are "After" written by Anna Todd, and "The

Fault In Our Stars" by John Green. My favourite bands are One Direction and 5 Seconds Of Summer (also known as 5SOS). I've been to a 5SOS concert in May in Verona and it's been really amazing.

Hi everybody!

My name is Andrea and I am 15 years old. I've been living in Castel Guelfo di Bologna since I was a child. I am a black-haired-boy who loves fashion and social networks; in fact I love taking pictures and sharing them. I also love listening to music and my favorite singer is Rihanna, I went to her concerts in Italy last summer. I also love animals, I have 4 dogs and 6 cats. I have a sister, her name's Giada and she's 24. She's a volleyball player. My parents' names are Bruno and Verusckha. My mum's name is Russian but she is Italian. We all love eating Italian typical food and spending time together. I love my family very much but I also love my friends. I have not got many

friends but I'm happy anyway because I can talk to the very close ones about everything and they always help me when I need help; I love hanging out with them. In my hobbies list there is also practicing sport: I've been practicing volleyball for three years, roller skating for three years and swimming for other three years. Now I'm taking a break from sport because I don't know which one to choose; I don't have enough time to continue all of them.

My goals in life are: travelling the world and becoming famous and of course to find my soulmate. I know the last goal will be hard to be accomplished because I do not have self-esteem and I also feel like I'm misunderstood but I'm sure I won't let these negative aspects of my personality to ruin my entire life!
