

MOLECULAR GASTRONOMY IN EUROPEAN PERSPECTIVE

Dissemination Report Poland

Erasmus+

September 2017

School picnic - "It is good to have a neighbour"

Erasmus stand with molecular and chemical gastronomy

UISz 30 września 2017 r.

December 2017

Christmas Caroling

Erasmus partner wishes to Bielany residents

June 2018

School picnic for students, teachers, parents and local residents

Erasmus stand - presentation about the project, its progress and results

molecular gastronomy mini-workshops

November 2018

7th International Conference "Dialogue of Languages and Cultures", November 14-15, 2018 at the Lingwistyczna Szkoła Wyższa in Warsaw

Presentation about the project and its results

November 2018

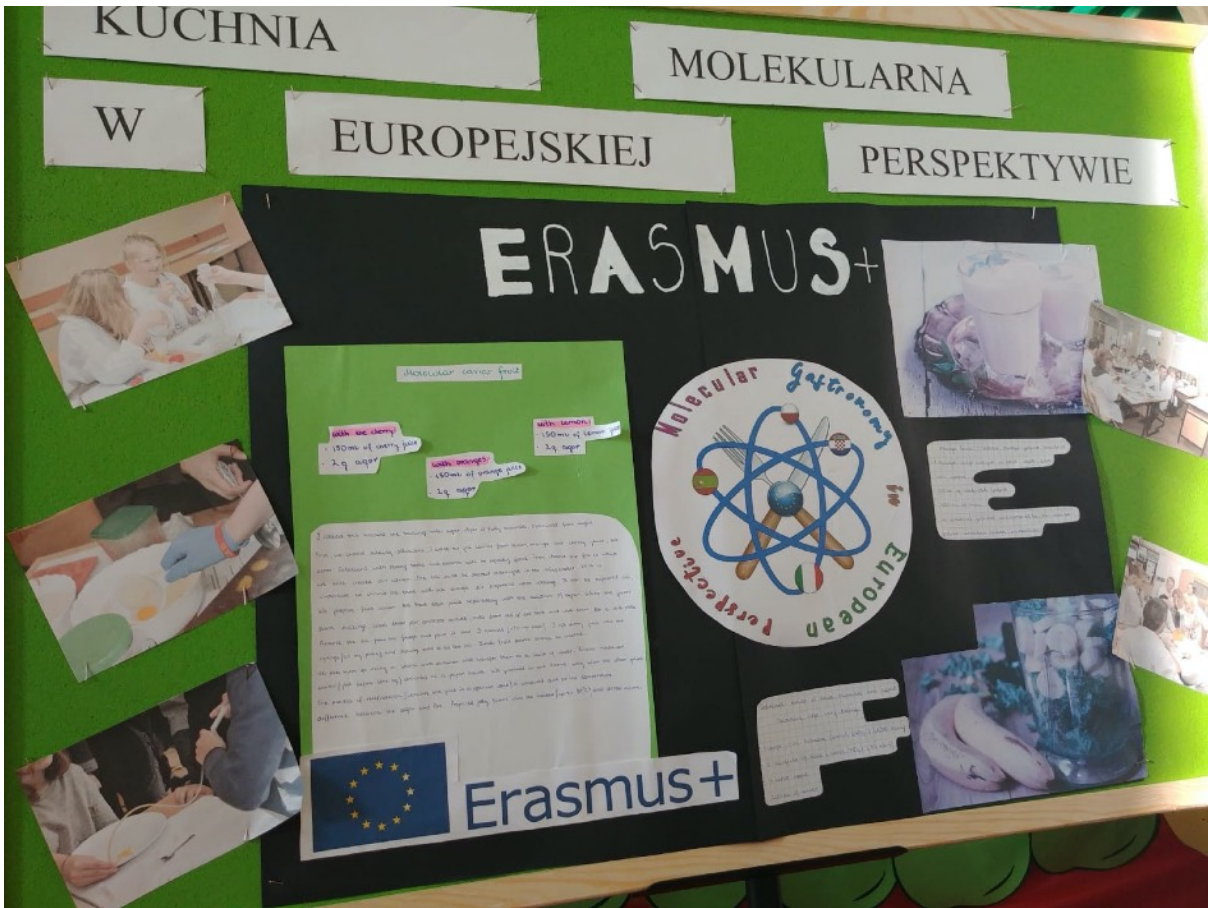

"Healthy eating days of Bielany"

Presenting applications of molecular gastronomy in healthy diet among students of Bielany primary schools

January 2019

Mobility in Romania within Erasmus K2 project "COMMON MIND AND GLOBAL COOPERATION IN MATHEMATICS TEACHING"

Arad, Romania

Presenting the project to teachers from Romania, Slovakia, Portugal and Turkey

May 2019

Students' presentations about the project from their own perspective

Visiting different primary schools in Bielany District, Warsaw

May 2019

Molecular Gastronomy

Workshop for Polish and Slovakian students as a part of exchange program between Szkoła Podstawowa nr 214 (Warsaw, Poland) and Spojena skola Kollarova 17 (Secovce, Slovakia)

Presentation about the project

Workshops

June 2019

"Farewell Erasmus"

Event for students, parents and local residents

1. Kahoot quiz about Erasmus
2. Students' presentation about project results
3. Molecular workshops
4. Chemical workshops

SZKOŁA PODSTAWOWA NR 214
ZAPRASZA
NA UROCZYSTE ZAKOŃCZENIE PROJEKTU
"KUCHNIA MOLEKULARNA W PERSPEKTYWIE EUROPEJSKIEJ"
DNIA 17.06 W GODZ 10:00 - 12:00
W BUDYNKU SZKOŁY, UL. FONTANY 1,
ODBEDĄ SIĘ:
-POKAZY CHEMICZNE
-WARSZTATY KUCHNI MOLEKULARNEJ
-GRY INTERAKTYWNE

The poster features a blue background with a grid pattern and various chemical symbols and diagrams, including a flask, test tubes, and molecular structures. The text is in bold, red, and yellow colors.

The bottom of the poster contains three logos: the European Union flag with the text 'Erasmus+', a circular logo for 'Szkoła Podstawowa nr 214' with a globe and the text 'Kuchnia Molekularna', and a circular logo for 'Szkoła Podstawowa nr 214' with a book and the text 'Erasmus+'.
