

# 1- Which country do you come from?

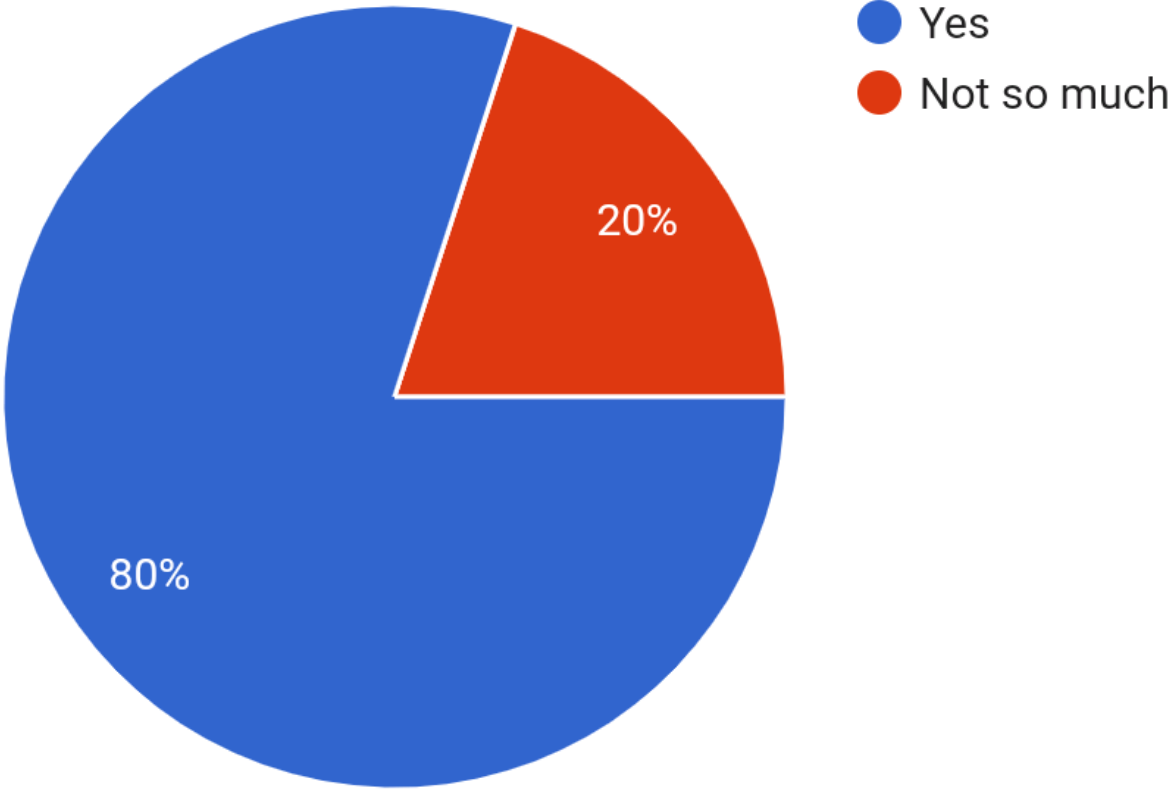

20 yanıt

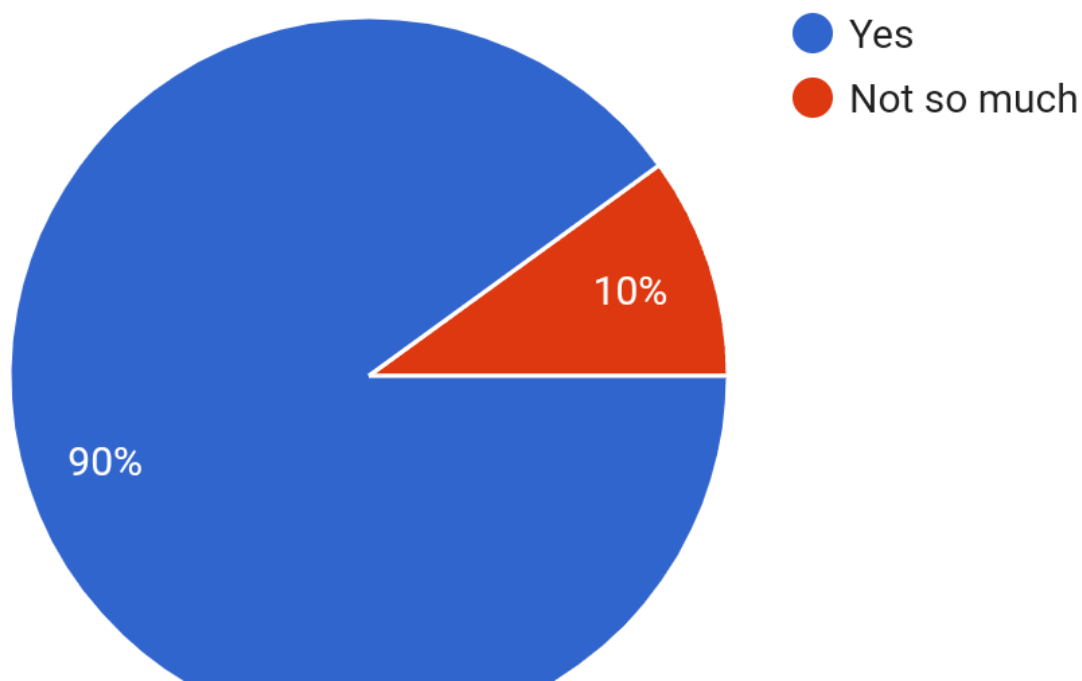

## 2- Do you like travelling and learning about new cultures?

20 yanıt

3- According to Wikipedia; "Project-based learning (PBL) is a student-centered pedagogy that involves a dynamic classroom approach in which it is believed that students acquire a deeper knowledge through active exploration of real-world challenges and problems. Students learn about a subject by working for an extended period of time to investigate and respond to a complex question, challenge, or problem." Do you believe in project based learning?

20 yanıt

4- If your previous answer is "No" would you please share your reason(s)?

3 yanıt

No, I do not believe because people cannot focus on one project. Humans are not projects. -Dad

no

.

5- What are your expectations about the project?

16 yanıt

I believe that my child will improve her English and learn different cultures in this project.

I hope we will meet new people and cultures and i think that will improve us.

My child will add good things to himself

I hope it will be a nice, fun and useful project...

Teach my children some general knowledhe

My son will learn about the other cultures. Secondly, it is good for his comminication skills.
