6. Have you participated in any eTwinning projects before?

11 yanıt

7. What are your expectations about the project?

11 yanıt

Cooperation among partners, cultures exchanging

To have fun while teaching

I am expecting to connect with other teachers and share nice practices, and to encourage students to be creative, excited about traveling and connecting to other students. I would also like to gain some skills regarding project management.

To further develop intercultural communication and IT skills

New experiences for me and my students

I want all the students and the teachers to
