ENVIRONMENT DAY

5th June 2018

On the occasion of the World Environment Day on 5th June the pupils discussed about the environment (what is it, where is it..) and its benefits.

With our little excursion they had the chance to get in touch with “our neighborhood’s environment”, they touched and smelled leaves and flowers and they created their own nature book out of what they had collected.

Let's start...

Collecting leaves...

...flowers, seeds...

Making the footprint of the bark of trees.

Preparing the book

The book is ready!!!
