

SOFT Meeting January 2020

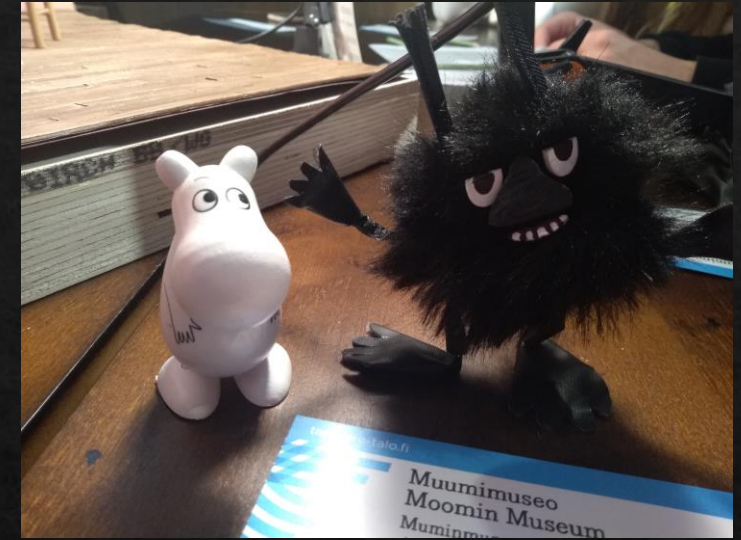

Art Workshop, Moomin museum 16.1.

Visit to museum : Example 2

- ◇ Students visited Momin Museum at Tampere
- ◇ At visit most important thing was to have students at art workshop where students learn to do animation in stop and motion
- ◇ Animation could be done outside also with mobile phone applications when weather is ok

Team Dark girls

- ◆ We learned how to make stop motion videos

Team NoName

moomin Museum

- ◇ We learned how to make animations in stop motion.
- ◇ Making animations is a long process.
- ◇ One second in animation is about 24 pictures.
- ◇ In animations we used toys and puppets.

Group 4/Cats

- ◆ We learned to do stop-motion
- ◆ We learned more about Moomins

Meatballs

At the Moomin museum we saw good artwork about Moomin animation.

We learned to do animation.

Group 7

- ◆ These pictures are from Moomin museum, Tampere.
- ◆ We also did an animation at the museum.
- ◆ We learned how to do animation and basic animation skills.

Manaatti

- ◆ We learned that finns really like this doll and how important it is in their childhood.

Flowergirls

- ◇ We went to see the moomins, they were very nice.
- ◇ We learnt more about the finnish culture, since Moomins are a big part of it.
- ◇ We learnt to do a frame by frame animation.
- ◇ It was very cool to see the figurines and learn about the stories behind the Moomins.

Group 10

Team Chicken

We learned how to make animatons with stop motion using toys, fabricks as well as other things

we looked at moomis.

We also looked around and got inspired by some art.

We learned how to comunicate with people in english and work in teams.

Group 11

team nameless

- ◇ So, we couldn't get any videos from our moomin museum, because it was illegal to take photos there.
- ◇ But we liked about it.
- ◇ It wasn't really big but there was lots of things to do (and take away). There was also weird old moomin animations.
- ◇ It was cool. An amazing experience!
- ◇ Here is video about our amazing art work shop
- ◇ https://youtu.be/_pYbxwBmlUU
