

# SOFT Meeting January 2020

SUOMENLINNA, Unesco Heritage sight ,TUESDAY 14.1.

# Suomenlinna : Seppo.io technological solution

- ◇ We have made seppo.io game in english about UNESCO World heritage Suomenlinna which is castle near Helsinki
- ◇ It is open to use for every Seppo –user
- ◇ Seppo.io is game based technological solution were you can make a educational game including questions, photos or videos to be taken...
- ◇ At Suomenlinna we also icluded ready AR presentations to Seppo.io

# Team nameless

- ◇ On tuesday we travelled long way to Finlands capital, helsinki. We took a ferry and found ourselves from suomenlinna. We learned lots of history and nature.
- ◇ In this picture, there is model of suomenlinna.

# TASK: Church Team Flower Girls

We learned  
mostly about  
teamwork, and  
the history  
between  
Finland, Sweden  
and Russia.

2 towers are missing, the roof is a different shape, the design of the walls are also different. Less doors and windows.

# TASK: Church Team Dragons

We played seppo game and learned something about history of suomenlinna and what happen between Finland, Sweden and Russia.

TASK: Group  
photo at  
picturesque  
place  
Team Chicken

TASK: Cannons  
Team Manaatti

In Helsinki we visited the library and  
senaatintori. Then we caught the boat  
to Suomenlinna

We visit the history museum of  
Suomenlinna.  
To explore better the island, we played  
[seppo.io](http://seppo.io)

SWEET  
BOYS

# TASK: Start Team Nameless
