

SOFT Meeting January 2020

Art Workshop, working with frames, photos and mandalas, WEDNESDAY 15.1.

Art lesson "Frames 1"

- ◇ You need frames from for example old not so expensive paintings. More beautiful frames gives your student more ideas and enthusiastic feeling.
- ◇ Divide your student at groups of three or four depending how many frames you havas managed to gather.
- ◇ Go outside for example park or forest.
- ◇ Ask your students to go and find out different things with frames in a sense that nature can modify art. Then for example ask them frame:
 - ◇ Human and nature
 - ◇ Water
 - ◇ Beuatiful lanscape
- ◇ After they have found suitable place to frame, ask them to take photo of it or take photo by yourself. In the end photos as gathered and watched at classroom.

Art lesson "Frames 2"

- ◆ You need frames from for example old not so expensive paintings. More beautiful frames gives your student more ideas and enthusiastic feeling.
- ◆ Divide your student at groups of three or four depending how many frames you havas managed to gather.
- ◆ Go outside for example park or forest.
- ◆ Explain them what are mandalas and show them some examples from internet or ask them to seach mandalas from internet.
- ◆ Ask them to make a plan about makng mandala at nature. Then they are free to collect for example leaves, stones etc and other things found in nature end then make mandala out of them and frame it.

Team Dark girls

- ◆ We learned about Finnish nature and how to do mandala

Team NoName

Working with frames

- ◆ We took some pictures of the nature through a frame
- ◆ We also learned how to make mandalas and each group made one mandala and took a picture of it

Group 4

We learned how to do a mandala and got to take pictures with frames.

Woodpeckers

- ◇ We learned how to use nature without destroying it and how to express ourselves with the help of the nature

Meatballs

- ◇ We were in nature and we did mandala and took some art pictures.
- ◇ That was a lot of fun and we found out that you can have fun in nature

Group 7

- ◆ These pictures are of human and nature and mandala.
- ◆ We learned how to do art in nature.

Manaatti

- ◆ In the natural environment we will find natural objects. From the fake natural we can make alive. For example:

Flowergirls

Teamwork was the main learning point for us this week. For the project in Hirvijärvi, we learnt to look at the nature like it's art itself already.

+ For the mandala, we put an ice sheet on it so it would look like glass on a painting!

Group 10

- ◆ There we learned to do a mandala. For the project we learn to look at nature. We were going to the sauna and having a great time cooking food in nature and talking to new friends.

Group 11 team nameless

On Wednesday we were at local mooselake, in kotaniemi. Teacher reettaviitanen wanted us to present nature in these framed pictures, There is human and nature, nature alone, ice water and mandala.
