

# OPENING DOORS TO EUROPE

## Lyrics of the Project Song

Portugal is our country *Portugal é o nosso país*  
represented by two schools *Representado por duas escolas*  
As a group here we gather, *Como um grupo aqui nós reunimos,*  
all together! *todos juntos!*

All the same with our differences *Tous pareils avec nos différences*  
sharing the same world *Partageons le même monde*  
The landmark of a chance *Le repaire d'une chance*  
Together the road *Ensemble la route*  
is less long *Est moins longue*

### CHORUS

Welcome to Europe, *Välkommen till Europa,*  
we open up our doors for you, *Vi öppnar våra dörrar för dig,*  
Come on now let's sing together *kom nu och låt oss sjunga tillsammans*  
Let's unite us all! *låt oss bli vänner.*

Europe, Europe, precious Europe *Europa, Europa, cenna Europa,*  
Can you hear our voices? *Czy słyszysz nasze głosy?*  
We are six together, *Jest nas sześć razem,*  
We are friends. *Jesteśmy przyjaciółmi*

These are moments with our friends *Estes são momentos com os nossos amigos*  
Learning to be all together *Aprendendo a estarmos todos juntos*  
Breaking down some barriers, *Quebrando algumas barreiras,*  
friends forever! *amigos para sempre!*

### (CHORUS)

This is not about economy *Das hat nichts mit Wirtschaft zu tun*  
Or advantages of all kinds *Oder Vorteilen aller Art*  
This is more *Es geht vielmehr*  
About opening doors *Darum Türen zu öffnen*  
To our hearts *Zu unseren Herzen*  
and souls *und Seelen*  
and minds. *und Gedanken.*

### (CHORUS)
