8 vastausta

11. Each presentation has contributed to my awareness of sustainable development

8 vastausta

OVERALL COMMENTS

Any other comments on the project or the Finnish virtual mobility

8 vastausta

It was useful because now we are more concerned about sustainability and we care more about the environment.

It was a really nice meeting

Nothing

Very interesting

It was a good alternative for the mobility

It was very interesting!

I think the Finnish virtual mobility went really well and that this project was a great experience.

I liked it and it promoted teamwork and acquisition of some important skills
