

POPPIES

Hello,

*We would like to present you our team called 'poppies'
We are two students and we decided to talk you
about our common hobbies. We like listening to music
and our favourite singer is Kristian Kostov who represented
Bulgaria in Eurovision 2017 and he managed to win the
second place . We also like to take photos landscapes
or anything else related to nature. We will be very happy
if you want to work with us.*

Maria , Irene
