

Gender inequalities in sports

Gender inequalities in sports

In Italy the very first problem in the gender inequality, is not in the wages as many people think, but it's an engagement problem. Indeed the wages difference is a direct consequence of the engagement issue.

Gender inequalities in sports

Women's professional sports are less followed by the people, because they are considered less entertaining. This explains the wage gap between the two genders.

Gender inequalities in sports

ny athletes have achieved great goals, such as the Italian swimmer Fe
