

Copyright in a nutshell

□ What is copyright?

Copyright is a legal right existing in many countries, that grants the creator of an original work exclusive rights to determine whether, and under what conditions, this original work may be used by others

Respect the copyright!

Copyright violation is punished by the law.

Where can I find copyright free pictures?

You will find copyright free pictures in the websites below.

Don't forget to give credit to the pictures you will use by mentioning the Title of the picture with link to original work and its author.

Example:

Plant by Jennifer C.
