PRESENTING MY ETWINNING PROJECT:

Anna Esposito

INTRODUCTION

What is the theme of the project?

- Escaping gender inequalities
- The aim: <u>rise awareness on the issue of gender inequality through the use of digital competences</u>

MY OPINION:

The benefits:

- getting to know different people
- learning cooperation skills
- create spaces for intercultural speeches between students

The drawback:

- some problem to communicate with our international partners

EVALUATION:

Why should this project be done in schools?

- Students gain experience for the future
- Communication and cooperation

CONCLUSIONS:

The importance of the project due to:

- The pandemic period
- The possibility to interact with different people to achieve the saim aim
