

My eTwinning Report Project

Aurora Bettarello

The Project

when: 28th January - 4th May

what: Etwinning international project about gender inequality from Agenda 2030

who: Italian, Dutch, Greek and Spanish students

why: to improve our English by working on a project that also raises awareness among young people about an important issue

How did we organize our work?

- area of research: **leadership**
- **teams:** every country represented a team, I work with my classmate Ettore Berveglieri
- using of eTwinning's **forum**

What we did?

- **research** about gender inequality linked to leadership in each of our country
- creation of a **logo**
- creation of a google slides **presentation**
- **kahoot** about Ferrara City
- creation of an **escape room**

our kahoot:

<https://create.kahoot.it/share/quiz-about-ferrara-city/cd78e5e3-7b58-45a5-8114-83893b06c9a3>

our presentation:

https://docs.google.com/presentation/d/13WmKz_b6voAaTvtJojRgyGdV8t1RFt5U354xEiUU9E/edit

our logo

What I learned?

from advantages to disadvantages

1. digital skills

2. English expression
and vocabulary

4. cooperation

3. sacrifice

5. deadline

6. important
informations about
gender inequality in the
world

In Conclusion, Do I recommend it?

I would recommend this work to everyone!

why?

1. it is interesting
2. discover new things
3. meet foreign people
4. get involved in different areas
5. chance to express yourself and
6. create beautiful things out of nothing

I am happy to have participated and I am very proud of our work!
