38 risposte

9) How do you evaluate your work? Use an adjective.

38 risposte

-All of them think this experience contributed to their cultural growth.

13) In your opinion, did this experience contribute to your cultural growth? Why/why not?

38 risposte

Yes, because I learnt a lot about other countries.

yes

Yes, because i learnt a lot about other countries

YES

yes

Yes, it happened. I learned about the creatures living in different countries.

yes, by every research i did for every project i learnt something new and that expanded my culture and what i knew

Yes,i learned a lot about other countries too! :D

Yes. because I have studied plants and animal better.
