ERASMUS

PLAY WITH ME AND TEACH ME

Early morning departure on Sunday

Getting ready on Saturday ☺

Our new friends Sienna and Nefeli.

We lived in their house 😊

They liked gifts from us a lot 😊

We had a nice relaxing afternoon when we arrived

...and after that we enjoyed a delicious traditional barbecue with the family 😊

Every day we started early morning

We played interesting games at school and a Logo from our school became an **official LOGO** of the Programme Erasmus +

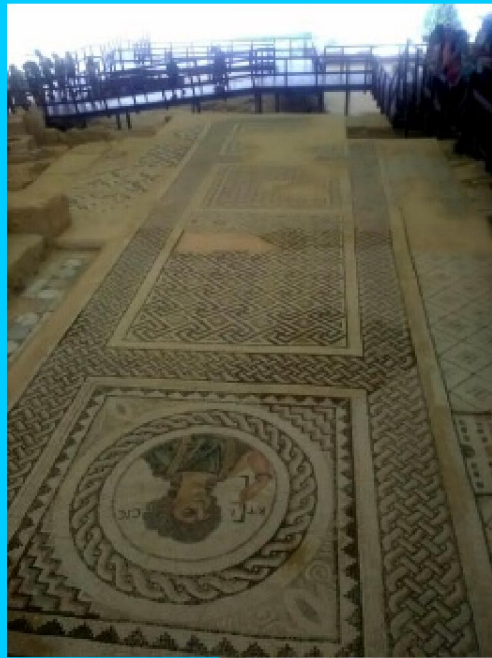

We had a welcome dinner with all other Erasmus+ pupils and teachers from all five countries :hosts - Cyprus , Italy, Spain, Turkey and us -Poland

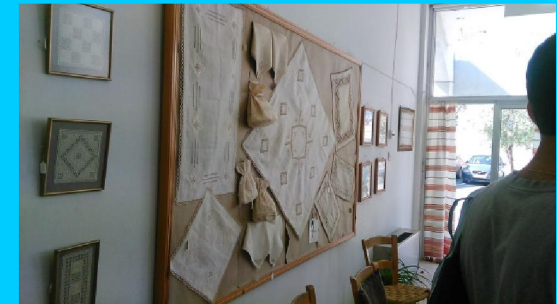

We visited many interesting museums and places ...

Curium Archeological Museum

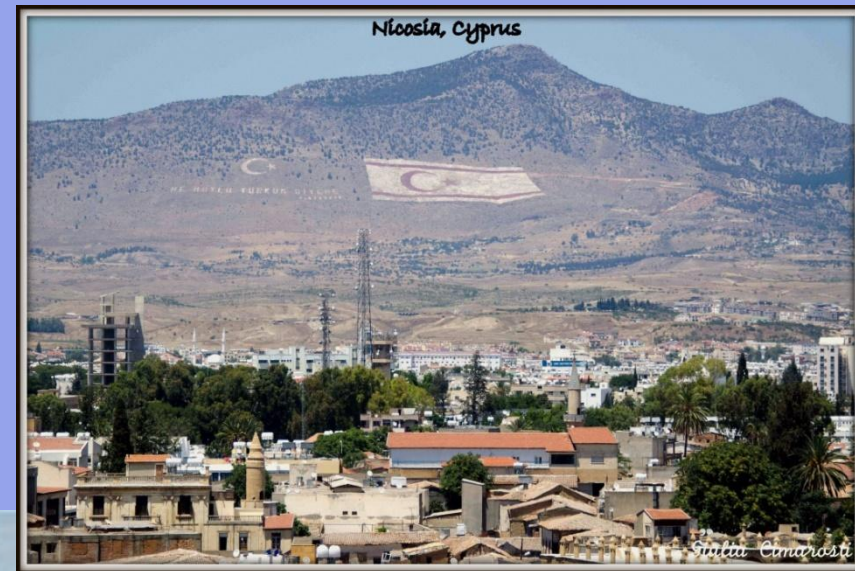

The Folk Art Museum

We visited Limassol ZOO, Marina, beach...

We visited Nicosia- capital of Cyprus

We had a chance to practice our English all the time

- We spoke to other kids and teachers all the time in English
- We visited Sienna's grandmother and had delicious lunch together
- We spoke to Mrs Maria, mum of Sienna and Nefeli, who is English, and her dad Alvertos
- We met other kids in neighborhood
- We went shopping

We had a „goodbye-supper” by neighbours, ate traditional food and played together

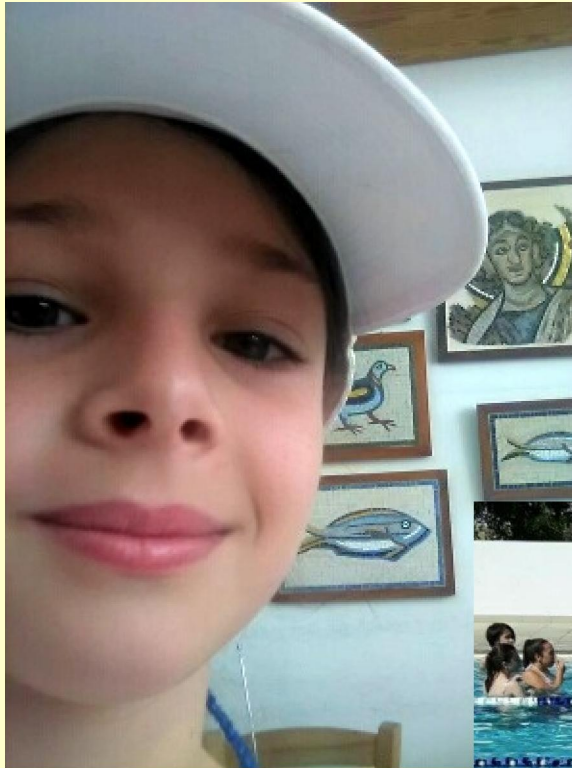

We spent many nice moments together
and had good fun with our new friends

We met many new friends 😊

I visited Cyprus 10 years ago, but this time it was really a great experience for me 😊
