### A beautiful moment of exchange. Erasmus On the Wings of Legends Project

Thursday, December 9, in the class, we met Hungarian students and their teacher by videoconference. We (the CM1s) with the CE1s presented the character in English: Gavroche. We sang "It's the fault of

Voltaire", which our hero sang when he went to fight.

### The Huns and the Maguyars

The Hungarian pupils presented a story in pictures explaining the origin of Hungary. We then shared a Christmas drawing on our digital whiteboard.
