

## Things to get ready BEFORE the Virtual Mobility (10-11 May)

- Divide your students in 5 groups:
  1. Montserrat
  2. Costa Brava
  3. Delta de l'Ebre
  4. Pirineus Catalans
  5. Vall d'Aran
- Each group (or each student if it's possible) needs an email address.
- As soon as possible, send me the members of each group and the email addresses.
- The idea is to exchange some emails with the Catalan members responsible for each group. In that way, they will know each other before Virtual Mobility and it will be easier to talk and not to be shy.

## More important information

- Every morning, when you start the school lessons, you should share Genially presentations links to your students.
- All the Google Meet connections will be recorded.
- There is a folder in the Google Drive: Shared OWL - Spain Virtual Mobility
- There are two important tools to use during the Virtual Mobility:
  1. This document as a teacher's guide. It contains all the information you must know, including the material and the resources for each day.
  2. Genially presentations. There is a Genially presentation for each day. It is a funnier way to show students the plan they have to follow. It includes all the necessary links and information. The idea is that you can project these Genially presentations for all the whole class and then, share it with your students in order to work through groups or to do the extra activities.
- There are some extra activities for each day and, because of the time difference, each country can do them when they have time during the same morning, before or after the main activities.
- After the Virtual Mobility you will receive a certificate for each participant.

DAY 1: MONDAY		
TIMING		ACTIVITY
FRANCE HUNGARY SPAIN	10:00-11:00	<u>Welcome to our school!</u> <b>1.</b> Welcome to our school! (whole group) Meet link: <a href="#">Welcome to our school!</a> - Whole school welcome. - Primary 6 welcome.

GREECE FINLAND	11:00-12:00	
UK	9:00-10:00	
BREAK (20 min)		
FRANCE HUNGARY SPAIN	11:20 - 12:00	<b>3.</b> Assessment: <a href="https://forms.gle/wc482WYX31ED3eoaA">https://forms.gle/wc482WYX31ED3eoaA</a>
GREECE FINLAND	12:20 - 13:00	
UK	10:20 - 11:00	
Extra activity		<b>1. How can you go from your school to Fedac Prats school?</b> (Transports, distance, length of time and flights' cost.) Useful tool: <a href="https://www.google.com/intl/ca_es/maps/about/mymaps/">https://www.google.com/intl/ca_es/maps/about/mymaps/</a>

#### MATERIAL/RESOURCES:

- Genially presentation: Friday.
- Projector and screen.
- 5 laptops or tablets. (one per group)

#### DESCRIPTION:

##### **Activity 1: Bye bye everyone!**

- Meet all together (you have the link in the grid and in the Genially presentation): we'll say goodbye and share some impressions of Virtual Mobility. It will be a short part because the activity two has got more importance.

##### **Activity 2: See you soon, friends!**

- Each group will be connected with Catalan friends they have already known. They will say goodbye to each other.

##### **Break time**

##### **Activity 3: Assessment.**

- You have to fill a Google form with some questions about this Virtual Mobility. Each student has to answer it and also the teachers.

##### **Extra activity**

**1. How can you go from your school to Fedac Prats school?** Students can work in groups. They need to guess what they would need if they travelled to Spain, to Catalonia, to our town and our school. (Transports they need, what is the distance and the length of time and the cost of flights)
