*Erasmus K2 Integration von Migranten in europäische Schule und Gesellschaft*

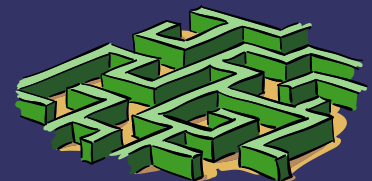

IES Miguel De Cervantes, Sevilla,  
Spain

## *NGO'S AND EXTERNAL ORGANIZATIONS*

IES Miguel De Cervantes is located in Macarena District in the north of Seville.

It is the district with the highest number of inmigrants of Seville. Its population belongs to the middle, working, low classes.

## NGO'S AND EXTERNAL ORGANIZATIONS

In order to compensate these disadvantages the Andalusian Ministry of Education implements several programs in the school :

- **Compensatory Education Programme**
- **Linguistic Support**
- **Companionship Programme  
(General Learning Support)**

## NGOS AND EXTERNAL ORGANIZATIONS

**Compensatory Education Programme:** Extra funds and assistants to help students inside or outside the classroom coming from socially disadvantaged families

**- Companionship Programme  
(General Learning Support)**

Assistants help weaker students in evening lessons

**Linguistic support:** Assistants help students with Spanish in evening lessons

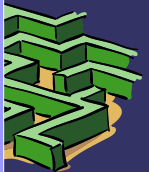

# *NGO'S AND EXTERNAL ORGANIZATIONS*

**La Caixa:** This bank funds two assistants to work with socially disadvantaged low- achieving students. They work in the class.

## **Didactic Foundation: Horizon**

English evening lessons at low prices or grants aiming at getting B1, B2 certificates

# NGOS AND EXTERNAL ORGANIZATIONS

## *Addressed to inmigrants*

### **CODENAF: (Cooperation and Development for Northern Africa)**

- They work with all nationalities in our school
- The most interesting programme was aimed at finding jobs. It was addressed to parents

# ***NGOS AND EXTERNAL ORGANIZATIONS***

## **AMERICA MESTIZA:**

Sports school which integrates teenagers through sport.

Only immigrants from our school and others

## **HASSAN II FOUNDATION:**

Moroccan NGO. They teach Classic Arabic in the evening and do mediation with Moroccan students.

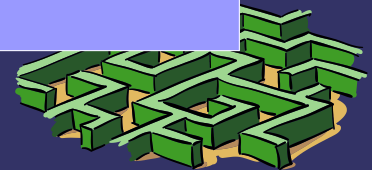

## ***NGOS AND EXTERNAL***
