

Station 1

Paint as many swedish "things" you know in 5 min. (1p for every one you can explain AND is swedish)

Station 2

Understand what the Swedes want.

Min mamma har sagt att jag ska göra köttbullar idag. Jag behöver köttfärs, ägg, mjölk, lök, salt och peppar.

(The team that gets the closest wins, 1p). 5min

Station 3

What is the telephone country code for Sweden? Show your result by putting just the right number of peas in the bucket.

(The exact number wins/or closest, 1p) 5min

Station 4

Whistle a swedish song

Eat two Mariekex and whistle a swedish song together in the group. All participants must whistle at the same time.

(The group that whistles fastest gets 1p. If someone whistles a whole song 5p) 5min

Station 5

Know your map!

Draw the Swedish map and put the capital city on the right place.

(1p for a map comparable to sweden and 1p for placing the capital right) 5min

Quizz

Place the name of the swedish invention and in the right timetable (1p/right answer)
