

Friends forever

Once upon a time there lived Baby Goat and Little Pig. They were very good friends. One day they went for a walk and met Mitten. Mitten invited both friends to join him on his way to Carrot Island by Mitten's new boat. The Carrot Island was in the middle of a big lake.

There lived Donkey that grew a lot of delicious carrots. Near Donkey's house there was a large, deep forest. While Donkey, Baby Goat and Mitten were chatting, Little Pig got bored. He alone went to the forest. He walked and walked and looked all around when suddenly realised that he was lost.

And what's more, unexpectedly he tripped and fell in a deep hole. He got

scared and started to scream for help. The first that heard him screaming was Wolf. He took a stick and tried to pull Little Pig out of the hole, but this attempt was not successful. The stick was too short to get Little Pig out. Baby Goat, Donkey and Mitten realised that Little Pig was missing, started to look for him. They hurried to the forest and met Wolf. They all decided to make ladder.

This was a good idea and soon Little Pig was happy out of the hole.

Wolf invited all friends to his house. He treated his guests with blueberries pie and all together they played football with ball made of moss. Mitten was a brave goalkeeper.

Time flew quickly when playing football and it was getting darker and it was time for friends to say goodbye. The day which was full of interesting, exciting and also scaring events ended and all friends tired but happy went home.
