

City Tour

Saturday, 2nd Dec, 2017

The city tour is about getting to know your team. We have formed six international groups that will work together throughout the entire week in Kiel.

We will start here at the *Forstbaumschule* and meet again at the statue of *Asmus Bremer*, a former mayor of Kiel. (Time to be announced)

During the walk, each group has to make a short video (with a mobile device) which is to be sent to the German teachers afterwards.

These are your little “Get-to-know-each other-and-Kiel” assignments:

On your way...

- Introduce yourselves.
- Find something you all have in common.
→ Create a group name on that basis.

In the video...

- Present your group.
- Where did your tour take you? (Germans)
- What are your impressions of Kiel? What is different to your hometown, what is similar? (Guests)
- What do you like best?

Be creative and have fun 😊
