Speak up, even if your voice shakes

**Seconda mobilità - IIS "don L. Milani" - Gragnano- Napoli
SORRENTO 20 Marzo 2018**

As the the programme for today has been changed, these are the new instructions for the students:

- 1- The five international groups will work together throughout the entire day in Sorrento.
- 2- During the walk, each group has to make a short video (with a mobile device) which will be sent to the Italian coordinator at tonia.calo@gmail.com (in the evening from home)
- 3- In the video each student has to introduce himself/herself explaining what the impression of Sorrento are/ what is similar or different etc
- 4- Each group will be guided by one of the Italian students who will start the video introducing all the other members

Enjoy your tour in Sorrento and... fingers crossed for the weather!
