## What do you need?

350 gram flour

5 eggs

8 apples

2 teaspoons icing sugar

250 gram sugar

250 gram butter

1 package vanilla sugar

1 package baking powder

## How to do it?

1. Heat the oven to 200 degrees, then cut the apples into small peaces and heat the butter.
2. Mix the sugar, eggs, flour, the vanilla sugar and the baking powder. Do not forget to stir the butter and the peaces of apple in.
3. Take a baking plate and arrange the dough evenly. Finally bake it 30 minutes in the oven .
4. If you like put icing sugar on top of the cake😊
