

# PLASTIC IN THE OCEAN

4TH GRADE

## WHAT WE WANTED TO LEARN

- We wanted to learn about how plastic pollutes the water.
- We wanted to learn how all living creatures are affected på plastic pollution.
- We wanted to look into how the plastic ends in the water.
- We wanted to come up with solutions how to reduce plastic emission.

## HOW WE WORKED

### Plast i havet

Episode 1

Episode 2

Episode 3

Episode 4

- We used BookCreator to make a book about plastic in the ocean.
- We watched short videos about water emission and had a talk around the subject.

## HOW WE WORKED

- We asked questions, where our pupils with its partner.
- Questions: Where do the plastic in the water comes from, and how did it get there? What makes the climate change so rapidly.

## HOW WE WORKED

- We had a field trip in our neighborhood. We went to a beach nearby to gather garbage.
- We used the garbage to make art. The art would they made, was exhibited in a competition at Røed Gård.

## MAKING THE ART

## ARTWORK MADE OUT OF GARBAGE
