

An aerial, high-angle photograph of a city street. The street is filled with cars and trucks, moving in both directions. On the left side of the street, several construction cranes are visible, indicating ongoing development. The surrounding buildings are modern, multi-story structures with a grid-like facade. The overall scene is captured in a dark, monochromatic blue-grey tone, with the text overlaid in bright colors.

**THE EUROPEAN UNION'S FUNDAMENTAL VALUES ARE RESPECT  
FOR HUMAN DIGNITY AND HUMAN RIGHTS, FREEDOM,  
DEMOCRACY, EQUALITY AND THE RULE OF LAW**

The main goal of the European Union is to defend these values in Europe, promote peace and the wellbeing of the citizens.

The European member states are pluralistic.

Nobody may be discriminated against.

**All these fundamental values are defined in the Treaty of Lisbon which officially confirmed the universal citizens' rights as well as political, economic and social rights.**
