

Captain Winokio

children's songs

we make a circle of boys and girls
we make a circle of tralala
make a bow now, make a bow now
at hand, at hand, grab your friend by the hand
at hand, at hand, grab your friend by the hand

all little ducks swim in the water,
falderalderie-re, falderaldera-re.
all little ducks swim in the water,
falde-ralde-ralde-ralde-ra
