### Kim Nam-jo

#### Early Life:

-She was born on September 25, 1927 in Daegu, South Korea

-Attended a girls' school in Kyushu, Japan and graduated from Seoul National University's College of Education in 1951 with a degree in Korean Language Education

"I am sick," my heart said, but

Silence had not yet matured, so that voice was faint.

Later,

When my heart said,

"I am sick, gravely sick."

Because silence had matured

I knew what it had said.'

-Heartache
