VEGA DE ATARFE SCHOOL

GRANADA - SPAIN

I, Susana

Sweet, sincere, sensitive and Smart
Unique as if I were a piece of art.
Scientific, I could be, but
A doctor is more like me.
Natural and delicate like a rose.
And this poem from my imagination arose.
That's it, that's me!

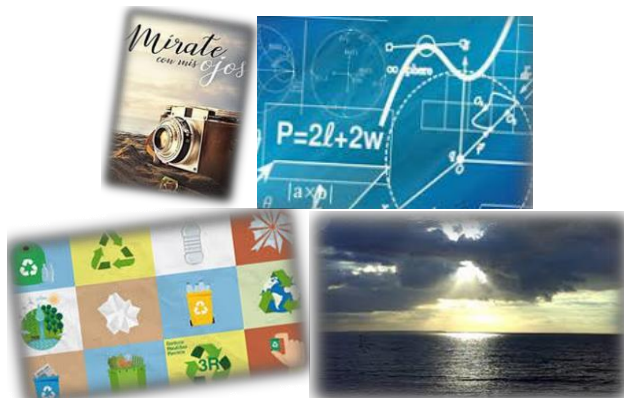

I, Adrian

Always waking up at seven o'clock,
Definitely bugs me, it is a shock!
Relaxed, dedicated and academic.
Imaginative and, on my bike, energetic.
An engineer I want to be,
Naturally, I want to build a ship.
That's it, that's me!

I, Roberto

Romantic films and books I love and
Outside my home, I am also beloved.
Being an engineer is the best job.
Emotions I will never stop.
Recycling annoys me but
Thoughtful of the environment I must be.
Oh, and I often go to the sea.
That's it, that's me!

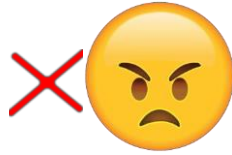

I, Andrea

Attentive, accurate and adorable
Never, I never get into trouble.
Dancing is not my thing,
Reaching out for success is what I mean,
Easy because I want to be an actress.
Acting would be good, all I need is practice.
That's it, that's me!

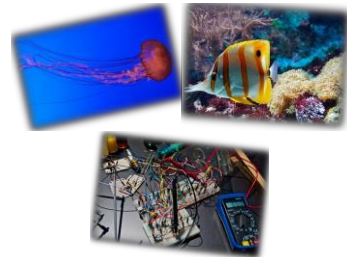

I, Gema

Grumpy people bug me a bit,
Exciting people, with that I agree.
Maths and science are not super.
A judge I want to be in the future.
Fair, friendly and funny I can be,
Modern and happy, that's me to a T.
That's it, that's me!

I, Jose

Jellyfish in the sea really bug me but my own fish, with that I agree.
October is a month that I really love but studying art I'm tired of.
Scientific studies is a good degree but
Electrician is more like me.
That's it, that's me!

I, Salvador

String beans is something I fancy,
Alligator food is probably quite chancy.
Love snakes and school breaks.
Very hardworking and a good speaker,
Always dreamed of becoming a teacher.
Depending on my grades,
Oh! I am allowed to play videogames.
Remember! I don't like it when people call me names.
That's it, that's me!

I, Robert

Reporter, workman or doctor I could be,
Occasionally I want to be a teacher because it's more like me.
Being a student drives me crazy but
Espesial weekends are something I fancy.
Rainbows I love but
Telephones I am tired of.
That's it, that's me!

I, Cristina

Conservative people really bug me but
Responsible people, with that I agree.
I really like ice cream.
Sweet and sincere I can be.
Travelling around the world is my dream,
If possible, I will do that with my team.
Nice, natural and honest, I am like a gleam.
A teacher or an actress I want to be.
That's me to a T!

I, Patricia

Painting and drawing is what I dislike
Acting and sport is mostly what I like.
Teacher or novelist I could be but
Reporter or doctor is more like me.
I really like riding my bike and
Cooking at home I quite dislike.
I love singing with my mike,
A good dance and going on a hike.
That's me to a T!

I, Samuel

active
unstoppable
energetic
special!

S is for special, because so I am.
A is for active, I am never dull.
M is for much joy I share around.
U is for unstoppable, I do things hands down.
E is for energetic, always on the go.
L is for loving, I love football, do you know?
That's me to a T!

I, Barbara

Bad horrid people really bug me but
Adorable people, with that I agree.
Realistic and sensitive, I'm in love.
Brave, brainy and besotted, just like a dove.
A professional dancer I want to be.
Really, dancing is my dream.
And I also love eating ice cream.
That's me to a T!

I, Ainhoa

A police officer I must become,
In search of missed people, helping everyone.
Never ambitious neither aggressive.
Happy and positive, I am impressive.
Often adorable, rarely unreliable.
Agreeable, adventurous but not incapable.
That's me to a T!

I, Aya

Adventure
awaits

Adventure is mostly what I like.
Yawning is something I dislike.
An architect I must be,
Always working like a bee.
Yesterday I went on a hike,
Almost fell from a height!
That's me to a T!

I Am a Person Who...

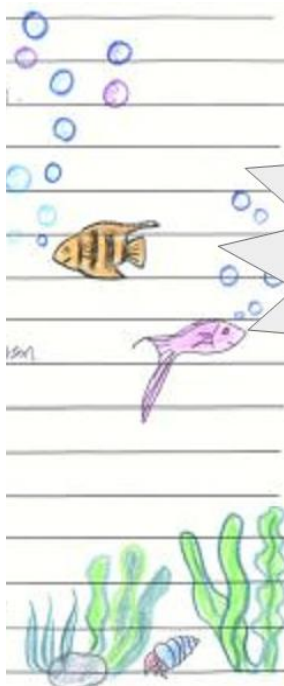

Likes Wannaone, Kim Jae Kwan and Park Woo Jim
Hates ghosts, bugs and swing entertainment
Can walk, breath and run
Cannot study well
Would never break one's promise
Loves to listen to Wannaone's songs
Wants to learn how to play the guitar
Used to be afraid of entering the ghosts' house
Is really good at swimming and creating my own stories
Gets really angry when my friends break a promise
