

# My Christmas Magic Soup

by KYU-Yeon kim.

This magic soup will make you awesome,

And live for really happy.

First you need to add flour,

And lots and lots of fresh fruits.

After that you add flour,

Make sure they have lots of sweet things.

Now you need 20 chocolates,

And 500 little small eggs,

Finally you add some salt and sugar

And Stir it well. It will be very delicious !^

Now you have a magic soup poem that rhymes,

Just say Merry christmas three times!
