My Christmas Magic Soup

This magic soup will make you excited,

And live for really well.

First you need to add Chicken

And lots and lots of fresh lettuce.

After that you add tomatoes

Make sure they have lots of cheese.

Now you need 20 flowers,

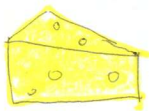

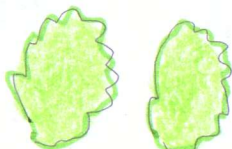

And 500 little chocolate eggs,

Finally you add some salt and sugar

And decorate it with some gold powder.

Now you have a magic soup poem that rhymes,

Just say Super soup! three times!

Super
Soup!
