My Christmas Magic Soup

This magic soup will make you happy,

And live for really fun.

First you need to add water,

And lots and lots of fresh pumkin.

After that you add sugar,

Make sure they have lots of carrots.

Now you need 20 mushrooms,

And 500 little small eggs,

Finally you add some salt and some pepper

And lots of seasoning.

Now you have a magic soup poem that rhymes,

Just say I love you Santa Claus three times!
