

HAIKU POEMS - SEASONS

Rainbow

The sky shows us love.

Water and light create it.

Makes us happier. **Sava Cristina**

Summer

The season of freedom

When the sun is up all day

You can do everything. **Nica Ioana Maria**

Snow

Snowflakes all around

The frozen sun behind clouds

What a winter day **Pelin Denisa**

Summer time

The weather is happy

The animals are alive

The sun is too hot **Nicodim Melisa**

Rain

Sad and cold water

Make the day colder for us

Beautiful but sad **Moldoveanu Andrei**
