My Christmas Magic Soup

This magic soup will make you happy

And live for really happy.

 First you need to add some snow

 And lots and lots of fresh fish.

 After that you add something red

Make sure they have lots of red color.

 Now you need 20 candies,

 And 500 little chickens' eggs,

Finally you add some salt and some sugar. 

 And add lots of chocolates.

Now you have a magic soup poem that rhymes,

Just say Happy Christmas three times!

Christmas!
