

My Christmas Magic Soup

This magic soup will make you happy,

And live for really pleased.

First you need to add crocodile's tooth
And lots and lots of fresh frog's hind leg

After that you add lizard's tail.

Make sure they have lots of cat's toenail.

Now you need 20 sparrow's fur,

And 500 little shark eggs,

Finally you add some salt and magic potion

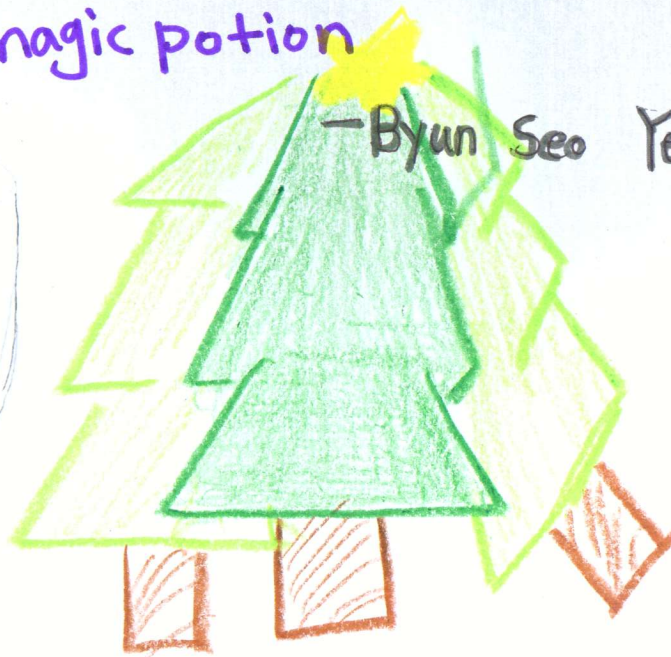

And add lots of sunfish's scales.

Now you have a magic soup poem that rhymes,

Just say Abacadabra castropollux three times!

→ magic potion
