

## My Christmas Magic Soup

- Min hae, Jo -

This magic soup will make you pretty,

And live for really happy.

First you need to add water,

And lots and lots of fresh vegetables.

After that you add onions,

Make sure they have lots of mushrooms.

Now you need 20 potatoes,

And 500 little chicken eggs,

Finally you add some salt and sugar

And you eat this Magic Soup.

Now you have a magic soup poem that rhymes,

Just say I'm pretty three times!
