Likes drawing on tables! 

 Hates staying one second doing nothing!

Can learn anything! 

 Cannot have one mood all the time!

Would never disrespect old people!

 Is really good at solving problems!

Gets really angry when...

no I do not get angry!

"Bug" those who believe in **failure!**

Has the good habit of being an optimist!

Wishes I could change the way other people see the world! 

 Want to have a Different + Amazing + Funny life!

Will someday go around the world!
