

**Advertising without
gender stereotypes will
make the world a better
place**

Our jobs originate from our dreams
Don't let them turn into a nightmare

Words for girls and words for boys

Children are thought the words of stereotypes just from their early years in education environment

The words written on girls' T-shirts are sometimes the result of stereotyped mind

If you google CEO images you will get the first 32 pictures of men and at 33^o position you will find Barbie in a boss suit
